POSTAL HISTORY SOCIETY

Dear Friend,

Thank you very much for your interest in the Wisconsin Postal History Society. Our Purpose is to collect and disseminate information on the postal history of Wisconsin for educational and historical uses. All postal activities are covered — location and dates of operation of post offices, types of postmarks, mail transportation routes and methods, post office personnel, etc. Most of our members collect covers, letters, photos, ephemera and other postal information from a single county, small groups of counties, or a topic. Some specialize in material from the territorial period, from discontinued post offices, in fancy cancels, or other categories.

We publish a quarterly journal, ***Badger Postal History***, which contains feature articles, news about membership activities, and other items of general interest to the postal historian focused on Wisconsin subject matter. We publish a series of informational bulletins obtainable from the treasurer. Subjects, all relating to Wisconsin, include straightline postmarks, county and postmaster postmarks, flag cancellations, railroad cancellations, fancy cancellations, rural free delivery cancellations, rural branches, Doane postmarks, contract and classified stations, post office operations and lists of post offices.

We are affiliated with the State Historical Society of Wisconsin, the Wisconsin Federation of Stamp Clubs, and the American Philatelic Society. Our annual meeting is held during the convention of the Wisconsin Federation of Stamps Clubs typically held in the spring. Special meetings are called as necessary and regularly held in conjunction with the fall MILCOPEX show in Milwaukee.

Our dues are \$15.00 per year. We welcome collectors from all branches of philately and all others interested in Wisconsin postal history. Why not join us? The membership application is below.
