# POSTAL HISTORY SOCIETY

Dear Friend:

Thank you very much for your interest in the Wisconsin Postal History Society. Our purpose is to collect and disseminate information on the postal history of Wisconsin for educational and historical uses. All postal activities are covered - location and dates of operation of post offices, types of postmarks, mail transportation routes and methods, postoffice personnel, etc. Most of our members collect covers and other postal information from a single county or small group of counties. Some specialize in covers from the territorial period, from discontinued post offices, or in fancy cancels.

We publish a quarterly journal, "Badger Postal History", which contains feature articles, news about membership activities, and other items of general interest to the Wisconsin postal historian. We publish a series of informational bulletins obtainable from our Treasurer. Subjects, all relating to Wisconsin, include straight-line postmarks, county and postmaster postmarks, flag cancellations, railroad cancellations, fancy cancellations, rural free delivery cancellations, rural branches and doane postmarks, contract and classified stations and branches of Wisconsin, rural free delivery cancellations and a list of all post offices in the state.

We are affiliated with the State Historical Society of Wisconsin, the Wisconsin Federation of Stamp Clubs and the American Philatelic Society. Our annual meeting is held during the convention of the Federation, usually in May. Special meetings are called as needed.

Our dues are \$12.00 per year. We welcome collectors from all branches of philately and all others interested in Wisconsin local history. Why not join us? The membership application is listed below.
