VI. REGION VP REPORTS

A. Southwest VP (Lothary)

Rockford Club is planning for their March show and the attendance for their meetings and auctions remain strong. They are having their annual fundraising charity auction for the Ken-Rock kids at their December meeting. The Coulee Club will meet at Perkins for their X-mas party. Wayne Youngblood was nice enough to give a presentation on counterfeits and the club hopes to get him back for more discussions. Janesville Club is planning for their February 14 show with some dealers already booked. Badger Club is going strong along with their auctions and boxes of stamps that members can peruse for free. Baraboo club is still having last Thursday of the month meetings. They are also having another show on August 2nd.

B. East Central VP (Manka)

The Fond du Lac Stamp Club held a dealer night with Wayne Youngblood as the dealer. Wayne presented a wonderful program for the club. After the presentation, members were able to look thru stamps that Wayne brought along. In November, club officers were elected and the 2026 meeting schedule was approved. December will see their annual Christmas Party being held at a local restaurant.

The Kettle Moraine club meets on the 1st Thursday of the month. After a short business meeting, club members share information about stamps and coins. They are planning a Christmas breakfast meeting later in December.

The Sheboygan Stamp Club continues to meet on the 2nd and 4th Wednesdays of the month. After a short business meeting, a club and member auction is held with lots ranging from 40 to 50 items. A pizza party was held in October following their scheduled meeting. A member of the club submitted a stamp idea for future consideration. The suggestion was selected and forwarded to the APS selection committee.

Members of all 3 clubs have attended stamps shows in Stevens Point and Chicagopex,

No report from the Wisconsin Postal History Club.
No report from the Manitowoc Club.
All is well in the East-Central Region of Wisconsin!

C. Northeast VP (Carney)

The Oshkosh Philatelic Society held its annual stamp bourse on November 8th. Despite the fact that three dealers who had paid their table fees were unable to attend the show. We still had a great turnout and all the dealers present were pleased with the sales for the day. There was a nice collection donation to the club at the show. The Green Bay Philatelic Society has had low attendance at their meetings since summer. They are discussing options. They are also looking into establishing rules for donations of collections to the Society. Due to health issues I was unable to attend a Northwoods meeting during this quarter.

D. Central VP (Sagstetter)

Chippewa Valley Stamp Club

I finally got a hold of Darryl Tufte. He stated that the club is no longer active. He pays the federation dues so there is a contact person in the area if any questions come up. Below is what is currently on the website. Please contact Darryl Tufte, dk-tuf@charter.net for information.

Central Wisconsin Stamp Club

I attended CENWISPEX on October 18th in Stevens Point. This show is one of my two favorites, the other being WISCOPEX. I was there early and thought the attendance was good. Always a lot of helpful friendly dealers.

E. Southeast VP (Trischan)

I have attended meetings of all four clubs since my last report. The Milwaukee Philatelic Society held their major auction in November with 123 lots being offered. Stamp Fest will be a one-day show next year and will be held February 28 at the St. Francis Lions Center on Howard Ave. again next year. The Wauwatosa Philatelic Society will have a Christmas party at their December meeting, with the club providing sub sandwiches and members bringing a dish to pass. The Waukesha Philatelic Society held their major auction at the November meeting with most lots selling. ATA Chapter 5 did a show and tell of space-related materials at their November meeting and most members brought items from their collections.

VII. The next Executive Board meeting will be held via Zoom on March 14 at 10:00 a.m

VIII. The meeting adjourned at 11:29 a.m
