VI. REGION VP REPORTS

- A. Southwest VP (Lothary)
 Badger Club featured a wedding at its February 7 meeting. We were honored to share the President of the club Dave Dyer and his beautiful bride Taya in a wedding ceremony performed by Bob Voss. What a great surprise. Also, at the Badger meetings John Pare, Dan Undersander, Bob Voss and Wayne Youngblood have been presenting a program on exhibiting. The Coulee Region Club has been going strong and had a Christmas party at Perkins. The Baraboo Club had a great show and are already planning another on August 8. I was lucky to meet Leen Intveld and his wife of the Quad City Club at the Janesville Clubs show and he said they have an average of 15 members attending their meetings and want to do another MSD club sponsored show. Rockford Club has another show in March and they are having good auctions at their meetings twice a month. It is one of the best shows around. Finally, Janesville had it best show lately with lots of dealers and silent auctions. It already has plans for a show next February.
- B. East Central VP (Manka)
 The Fond du Lac Stamp Club continues to meet the third Wednesday of the month at the Senior Center. New schedules for 2026 were handed out. Discussion and finalizing of WISCOPEX 2026 was presented. The theme for the show will be Celebrating the American Revolution. There will be 13 dealers, three seminars, USPS table, silent auction, judged exhibits, door prizes, postcrossing meet up and a beginner's area. Speakers at the seminars will be Wayne Youngblood, Jay Bigalke and Beth Collins (representative from the American Topical Association) Jay Bigalke will also be the featured speaker at the convention banquet on Saturday's dinner. The annual club Anniversary Party will held at a local restaurant in March.
 The Kettle Moraine club meets on the 1st Thursday of the month at the library. After a short business meeting, club members share information about stamps and coins. David Hunsicker, will be the club delegate to the annual WFSC meeting at the Wiscopex 2026 convention.
 The Sheboygan Stamp Club continues to meet on the 2nd and 4th Wednesdays of the month. After a short business meeting, a club and member auction is held with lots ranging from 30 to 50 items. A

pizza party was held in February following their scheduled meeting. Robert Keppert will be the club delegate to the annual WFSC meeting at the Wiscopex 2026 convention. Wisconsin Postal History Society will have their annual meeting on Sunday, April 19th at the 2026 Wiscopex convention.
No report from the Manitowoc Club.
All is well in the East-Central Region of Wisconsin!

C. Northeast VP (Carney)

The Oshkosh Philatelic Society had a major donation of stamp supplies at its February meeting. Mike Pynenberg finished his term as President and was thanked for all he did for the club. John Anderson agreed to take over as President for 2026. The Society made a \$500.00 donation to Father Carr's Place 2B. Planning has begun for the 2026 stamp bourse Nov. 14. The Green Bay Philatelic Society has been working on the details for their 2026 show on March 21st at St. Mathews church on Webster Ave. in Green Bay. Due to weather I was unable to attend a Northwoods meeting during this quarter.

D. Central VP (Sagstetter)

No report.

E. Southeast VP (Trischan)

I attended meetings of all four SE WI clubs since my last report. Milwaukee Philatelic Society hosted a successful Stampfest on February 28, with close to 200 attendees. In April they will hold their major auction, with all lots having a catalog value of at least 5 dollars. Wauwatosa Philatelic Society continues to meet on the 3rd Tuesday of the month at the Wauwatosa Library. Jim Cormany announced that this will be his last year as president. ATA Chapter 5 enjoyed two short presentations, both developed by Aimee Devine, about our US presidents at the February meeting. Waukesha County Philatelic Society has a mystery message game regularly, with the winning member getting the item in the message. They also had a quiz and show-and-tell on Black History month at their February meeting.

VII. NEXT MEETING DATE (Greenwald) Tentatively set for June 18 at 7:00 pm.

VIII. ADJOURNMENT (Greenwald) 11:32 am (Davis/Undersander)
